

CURRICULUM VITAE

Cristine M. Deaver, MS, BCBA, LBA

Personal History

Home Address: 11747 38th Street SE
Valley City, ND 58072

Telephone: (701) 240-3011 (cell)

Current Position: Special Education Program Coordinator, James River Special Education Cooperative,
Jamestown, ND
207 2nd Ave SE
Jamestown, ND 58401

Previous Position: Instructor, Behavior Analyst, University of North Dakota, Grand Forks, ND
University of North Dakota
Education Building, Rm 385
231 Centennial Dr Stop 7189
Grand Forks, ND 58202-7189

Certifications/License

2009 – Present Board Certified Behavior Analyst (BCBA #1-09-6409)
2012 – Present North Dakota Licensed Behavior Analyst (LBA #L4)
2013 – 2017 Crisis Prevention Intervention (Member #846119)
2021 – Present Crisis Prevention Intervention (Member #1868630)

Educational History

2019 – 2020 Educational Practices and Leadership, Ed.D. program
University of North Dakota
3601 University Ave,
Grand Forks, ND 58202

1998 – 2000 Psychology, MS, North Dakota State University
North Dakota State University
1301 12th Ave North
Fargo, ND. 58105

1993 – 1996 Psychology, BA, Oglethorpe University
Oglethorpe University
4484 Peachtree Rd. NE
Atlanta, GA. 30319

1992 – 1993 University of Mary
University of Mary
7500 University Drive
Bismarck, ND 58504

Academic Honors

2017 Nominated for Outstanding Graduate Teaching Award, University of North Dakota
1999 – Present Phi Kappa Phi, Member Induction, North Dakota State University
1995 – Present Psi Chi, Member Induction, Oglethorpe University

Membership in Professional Organizations

1999 – Present Association for Behavior Analysis International (Member #12410)
2009 – Present Association for Contextual Behavioral Science
2010 – Present Association of Professional Behavior Analysts (Member #50844641)
2012 – Present American Psychological Association (Member #32702262)
2012 – Present North Dakota Association on Behavior Analysis
2013 – Present Minnesota Northland Association for Behavior Analysis
2015 – Present Organizational Behavior Management

Professional Offices and Committees

2022 – Present BACB Subject Matter Expert, Ethics Coach
2019 – Present President, North Dakota Association on Behavior Analysis
2012 – 2019 Secretary, North Dakota Association on Behavior Analysis

Principle Areas of Interest

Applied behavior analysis
Functional assessment of behaviors and functional interventions
Functional behavior assessment and functional behavior interventions in school settings
Behavior Skills Training
Habit Reversal
Relational Frame Theory and Acceptance and Commitment Training
Applied behavior analysis and autism

Professional Activities

James River Special Education Cooperative. Supervisor Heidi Budeau (August, 2020 through present). Program Coordinator.

Para-professional training. Mentoring new special education staff. Monitor paperwork for compliance purposes. Participated in staff meetings and individual education plan meetings. Consulted with staff in school settings. Provided training behavior reduction programming and procedures. Monitor special education paperwork and IEPs. Conduct student assessments (functional behavior assessment, VB-MAPP, etc.) to assist with determining programming needs and adjust programming accordingly.

Certification Central, Katherine Terras, Founder, CEO. (September 2020 – present).

Registered Behavior Technician Trainer, Registered Behavior Technician Evaluator, Curriculum Developer.

Behavior Specialist Endorsement Program Director (March 2022 - present).

University of North Dakota, Grand Forks, ND. Mentor Katherine Terras, Ph.D. (adjunct August 2013 through August 2015, faculty August 2015 through July 2020).

Developed curriculum for online courses (ABA Supervision Across Settings and Populations, ABA Across Settings and Populations, Philosophical Underpinnings of Behavior Analysis) offered through Behavior Analysis Certification Board (BACB) and Association for Behavior Analysis International (ABAI) approved course sequence and classroom management course offered through UND (Undergraduate course in Behavior Assessment). Taught on-line courses in the BACB verified/ABAI approved course sequence. Developed course curriculum, quizzes, exams, and assignments, study guides, managed grades, advised graduate students, provided supervision consistent with BACB guidelines, participated in Program Area meetings, and other duties as assigned. Completed application for BACB approval of intensive practicum and continuing education which were approved. ABA Graduate Director in the fall of 2018 through summer 2020.

Anne Carlsen Center, Jamestown, ND. Trisha Page (June 2017 through June 2018).

Behavioral Health Services Contractor, Interventionist. Assisted in RBT competency assessments. Participated in bi-weekly Specialist Team meetings.

South Valley Special Education, Hankinson, ND. Supervisor John Porter (August 2010 through August 2017).

Conducted functional behavior assessments, implement functional interventions, wrote reports including observation reports, progress notes, positive behavior support/intervention plans, and completed behavior evaluations. Trained staff on interventions and para-professionals on role and responsibilities, special education process, behavior, child development and disability categories. Participated in staff meetings and individual education plan meetings. Consulted with staff in school settings. Provided training in therapeutic intervention to decrease escalating behaviors (Therapeutic Intervention and Non-violent Crisis Prevention Intervention). Trained schools in Multi-Tiered System of Support (previously, Response-to-Intervention – Behavior and school-wide positive behavior supports). Represented South Valley Special Education Unit on state committees regarding behavior (Functional Behavior Assessment/Behavior Intervention Plan), Response-to-Intervention - Behavior (Positive Behavior Interventions and Supports, Multi-Tiered System of Support), PTR (Prevent-Teach-Reinforce FBA/BIP coaching), State Systemic Improvement Process (SSIP), and Early Childhood Special Education Outcomes, developed curriculum and materials as needed for these committees. Participated in a Regional Tier 3 Behavior Team to assist in providing additional research-based behavior supports to students within their school setting.

North Dakota Center for Persons with Disabilities, Minot, ND. Supervisor Hilory Liccini (Spring 2017).

Participated in work group for Behavior Support Plan project. Training modules developed on the topics of Evidence-Based Practices, Functional Behavior Assessments, and Behavior Intervention Plans.

Peace Garden Consortium of Student Support Services, Bottineau, ND. Supervisor Keith Gustafson, Ed. D. (September 2001 through June 2008) and Melissa Deckert (July 2008 through June 2010).

Services provided to schools within the Peace Garden Special Education and Northern Plains Special Education units (fall 2001 through summer 2010), and Souris Valley Special Education unit (from September 2001 to May 2006). Conducted functional behavior assessments, implement functional treatments, wrote reports including positive behavior support/intervention plans, and completed behavior evaluations. Staff training. Participated in staff meetings and individual education plan meetings. Trained para-professionals. Consulted with staff in school settings. Train staff in therapeutic intervention to decrease escalating behaviors. Trained schools in Response-to-Intervention – Behavior (school-wide positive behavior supports). Represented Peace Garden Consortium on state committees regarding behavior and preschool outcomes.

Field Supervision, Supervisor Mark Dixon (September 2008 through September 2009).

Field activities required by the Behavior Analyst Certification Board in order to take the BACB exam. Activities covered the following topics: ethical considerations; definitions and characteristics of behavior; principles, processes and concepts; behavioral assessment; experimental evaluation of interventions; measurement of behavior; displaying and interpreting behavioral data; selecting intervention outcomes and strategies; behavior change procedures; and systems support.

North Dakota Department of Instruction, Supervisors included Guy McDonald, John Porter, Drinda Olsen, Patrick Moran, Brenda Oas, Nancy Burke, (July 2007 through June 2016).

State trainer for the North Dakota Multi-Tier System of Support – Behavior, (previously known as Response to Intervention – Behavior and School-Wide Positive Behavior Supports). Trained school teams on implementing school-wide positive behavioral supports to create positive school climate, consistency in school-wide discipline, reduce behavior problems and increase academic achievement through data-based decision-making, using evidenced based practices/interventions.

North Dakota Center for Persons with Disabilities, Minot, ND. Supervisor Kari Arrayan (Spring 2007).

Assisted on a project for educating people with disabilities about the criminal justice system and their rights.

North Dakota Center for Persons with Disabilities, Minot, ND. Supervisor Kari Arrayan (Spring 2006).

Assisted on a project for disability awareness.

Lake Region Human Service Center, Devils Lake, ND. Supervisor Denise Brandvold, MS Ed. and David Kuna, Ph.D. (June 2000 through August 2001).

Conducted functional assessments, implemented functional treatments, wrote reports including behavior

intervention plans, behavior evaluations, progress notes and reports. Trained staff. Conducted group therapy and individual therapy sessions. Participated in staff meetings.

Southeast Human Service Center, Fargo, ND. Supervisor Raymond Miltenberger, Ph.D. (Summer 1999, Fall 1999 and Spring 2000).

Conducted functional assessments and psychological testing, interpret findings, wrote testing report, and implement treatment strategies. Trained staff. Conducted group therapy and individual therapy sessions. Participated in staff meetings.

Depression Clinic, Fargo, ND. Supervisor Paul Rokke, Ph.D. (Spring 1999).

Developed protocol for the Depression Clinic. Individual therapy sessions. Became familiar with a variety of cognitive behavior therapy methods and assessments.

Worked with a child with autism in school and home settings, Fargo, ND. (Fall 1998- Spring 2000).

Implemented an intervention program based on applied behavior analysis.

Development Homes, Inc., Grand Forks, ND. Supervisor Vicki Moen (October 1997 – August 1998).

Shift supervisor. Worked with individuals with developmental disabilities, intellectual disability, and mental illness. Assisted individuals with programming and adaptive living skills. Trained staff based on behavior plans.

Mohall Public School, Mohall, ND. Superintendent Milton Hoyt (August 1996 – May 1997).

Worked as a paraprofessional with a student with autism. Assisted the regular education teacher in instructing and facilitating classroom performance.

Teaching Experience

Instructor (Summer 2022 – present) and Director of Behavior Specialist Endorsement Program (March 2022) at Certification Central in the Behavior Specialist Endorsement.

Behavior Ethics, Supervision & Consultation (Summer 2022 – present)

Behavior Research and Inquiry (Fall 2022 – present)

Technician Trainer and Registered Behavior Technician Evaluator (Fall 2019- present)

Instructor (Fall 2015 through Summer 2020) and Adjunct (Fall 2013 – Summer 2015) at University of North Dakota in the BACB/ABAI verified Behavior Analysis Course Sequence.

Assessment and Behavior Change Systems (Fall 2013, Fall 2015),

Methods and Principles of Applied Behavior Analysis (Summer 2015, Spring 2016).

Research Methods in Applied Behavior Analysis (Summer 2014, Fall 2014, Fall 2015, Spring 2016, Fall 2016, Spring 2017, Fall 2018),

ABA across Settings and Populations (Spring 2014, Fall 2014, Spring 2015, Summer 2015, Fall 2015, Spring 2016, Summer 2016, Fall 2016, Spring 2017, Fall 2017, Spring 2018, Fall 2018, Spring 2019),

ABA Supervision across Settings and Populations (Fall 2019), and

ABA Intensive Practicum (Spring 2016, Fall 2016, Spring 2017, Fall 2017, Spring 2018, Summer 2018, Fall 2018, Spring 2019, Summer 2019, Fall 2019, Spring 2020).

Teaching Assistant, North Dakota State University, (Summer 1999 – Spring 2000).

Behavior Modification (Spring 2000), Duties: Lectured when needed, graded exams and writing assignments, and managed grade book.

Developmental Psychology (Summer 1999), Graded exams, proctored exams when needed.

Introductory Psychology (Summer 1999), Graded and proctored exams when needed.

Human Sexuality (Summer 1999). Graded and proctored exams.

Research Experience

Research, Department of Special Education, University of North Dakota. Dr. Katherine Terras, collaborator. (May 2017 – August 2018).

Comparison of Group versus Individual Reinforcement to Increase Step Counts in Adults with Sedentary Office Jobs. The purpose of this study is to investigate the effects between individual and group reinforcement at increasing physical activity. Unpublished manuscript.

Research, Anne Carlsen Center, Jamestown, ND. Trisha Page, Katherine Terras, and Patrick Kellam; collaborators. (June, 2018 through August, 2018).

Independent Supervised Fieldwork. Dr. Mark Dixon, supervisor. (September 2008- September 2009).
Acceptance and Commitment Therapy at a Daycare. Research study that demonstrated ACT with childcare providers lead to increased positive staff interactions with children, unpublished.

Research Assistant, Department of Psychology, North Dakota State University. Dr. Raymond Miltenberger, supervisor. (Fall 1998- Spring 2000).
Sexual Abuse Prevention. Research study looking at sexual abuse prevention skills in women with mild intellectual disability.

Analysis and Treatment of Finger Sucking in Children. Research study that demonstrated the effectiveness of an awareness enhancement device to reduce finger sucking in children.

Analysis and Treatment of Hair Pulling in a Young Child. Research study that demonstrated the effectiveness of functional treatment.

Application of the Simplified Habit Reversal Protocol to Treat Hair Pulling in Children and Adults.

Survey of Functional Assessment Procedures used by School Psychologists.

Analysis of Affect and Eating. Research study evaluating affect during meals and binge eating episodes.
