

## Wechsler Individual Achievement Test®- Fourth Edition (WIAT-4)

### Syllabus

**Instructor:** Beth Suelzle, M.A. [beth.suelzle@certificationcentral.education](mailto:beth.suelzle@certificationcentral.education)

**Credit Equivalent:** 1 (you will receive a transcript upon completion)

**Timeline:** This is a self-paced course, so set your own schedule.

#### Required Materials:

**Item 1.** You are going to need to video record administering the assessment, so please secure a video camera that allows you to upload the video. There are no exceptions when assignments need to be recorded.

**Item 2:** You will need to have access to a scanner so you can submit assignments as 1 PDF document. Check to ensure it works prior to your first submission. Many students use their phone with CamScanner: <https://www.camscanner.com>

**Item 3.** You will be required to obtain a WIAT-4 testing kit from your Special Education Unit or District. The following materials will be provided to you:

- *Administration Manual Study Guide*
- *WIAT-4 Demonstration Packet*
- *WIAT-4 Interpretation Packet*
- *WIAT-4 Interpretation Worksheet*
- *Diagnostic Summary Report Template*

#### Lessons:

This module consists of three lessons. Please go through the lessons in order.

- WIAT-4 Lesson 1: Overview, Testing Observations, & Basals/Ceilings
- WIAT-4 Lesson 2: Administering and Scoring
- WIAT-4 Lesson 3: Interpreting and Reporting

**Assignment:** After all lessons are completed, you will begin the module assignment. You will administer, score, interpret results, and write a diagnostic report for the WIAT-4. Details will be explained further in Lesson 3 and in the WIAT-4 Assignment Packet.

Your assignments will be submitted into Canvas. Please allow one week for grading. Click “Grades” to see your score and to read the instructor’s feedback.
