

## **Kaufman Test of Educational Achievement, Third Edition (KTEA-3)**

### **Syllabus**

**Instructor:** Beth Suelzle, M.A. beth.suelzle@certificationcentral.education

**Credit Equivalent:** 1 (you will receive a transcript upon completion)

**Timeline:** This is a self-paced course, so set your own schedule 🕒

#### **Required Materials:**

**Item 1:** You will need to video record administration of this assessment, so please secure a video cameral that allows you to upload videos. There are no exceptions when assignments need to be recorded.

**Item 2:** You will need to have access to a scanner so you can submit assignments as 1 PDF document. Check to ensure it words prior to your first submission. Many students use their phone with CamScanner: <https://www.camscanner.com>

**Item 3:** You will be required to obtain a KTEA-3 testing kit from your Special Education Unit or District. The following materials will be provided to you:

- *Administration Manual Study Guide*
- *KTEA-3 Demonstration Packet*
- *KTEA-3 Interpretation Packet*
- *KTEA-3 Interpretation Worksheet*
- *Diagnostic Summary Report Template*

**Lessons:** This module consists of three lessons. Please go through the lessons in order.

- KTEA-3 Lesson 1: Overview, Testing Observations, & Basals/Ceilings
- KTEA-3 Lesson 2: Administering and Scoring
- KTEA-3 Lesson 3: Interpreting and Reporting

**Assignment:** Complete the Administration Manual Study Guide in Lesson 1. After all lessons are completed, you will begin the module assignment. You will administer, score, interpret results, and write a diagnostic report for the KTEA-3. Details will be explained further in Lesson 3 and in the KTEA-3 Assignment Packet.

Your assignments will be submitted into Canvas. Please allow one week for grading. Click “Grades” to see your score and to read the instructor’s feedback.
